

### ***Testimonial for Pioneer Promotions***

*To whom it may concern,*

*We had a great experience working with Pioneer Promotions on a recent event we managed. Pioneer managed the logistics for us on six marathons in Northern Ireland. They were professional and knowledgeable on the task we set them and we have no hesitation in saying that they delivered on their objectives.*

*It was a pleasure working with Johnny and Luke, they were great support and we are keen to work with them again on future events.*

*Yours sincerely,*
